NOTES AND PRECIS.

D.No. 2691 S.N.1

The Executive Engineer has submitted proposals for acceptance of tenders for execution of Government works for 1937-38. Tenders have been received from different contractors who have quoted varying rates which are in most cases above the revised standard schedule of rates of the Municipal Commission on which the rates for Government works are also based.

Messrs. Yellappa & Thimma Reddy. (No. 9, in the statement) have quoted 6% and 5% below schedule rates for the Hospital and Police buildings etc; but they have not been recommended by the Ex. Engr. Probably they are new contractors and the Ex. Engr. is not satisfied with them.

The Ex. Engr. has recommended the next favourable quotation; and his recommendation may be accepted unless it is considered necessary to ask him why the tenders referred to in para. 3 are not recommended.

Draft submitted.

(A copy of the revised standard schedule of rates of the Commission has just been received here and action is being taken separately to ommpare those rates with the rates prevailing in Madras, Mysore and Coorg)
